vhazarathnaidu@gmail.com

Having 12+ years of overall experience of which six years have been as an AWS. Implement large scale cloud deployments, managing cloud operations by building sustainable processes and cross functional teams with cloud & devops skills. Worked in agile model

EXPERIENCE

MARCH 2020 – NOVEMBER 2022

SENIOR CLOUD SOLUTIONS ENGINEER, OPORTUN (INTELIZEST)

- End-To-End Client Engagement through the requirement gathering from engineering teams, infrastructure design, deployment architecture, delivery management with public & hybrid cloud services
- Automated AWS cloud infra builds using cloud formation, Terraform with required boot scripts
- Architecture design and development of multiple projects in AWS cloud using EC2, ELB, RDS, S3, EFS, EBS, DynamoDB, SG, Route53 and many other AWS cloud services
- Designed and developed multiple containerized, serverless applications in AWS using ECS, EKS, ECS/EKS with Fargate, Lambda, Python, Jenkins, Docker and Kubernetes
- Built a team to support all the phases of SDLC involved in cloud and DevOps

APRIL 2017 – OCTOBER 2019

CLOUD ENGINEER, VUEDATA TECHNOLOGIES (INDIA) PVT LTD

- Worked with multiple stakeholders by analyzing cloud needs and providing deployment solutions on AWS
- Analyzed client needs over time and provided scalable and cost-effective solutions like Automated Cross-Cloud backup, Disaster Recovery, Automatic infrastructure scaling, Data Archiving
- Gained skills deploying server less architectures, Containers

APRIL 2016 – FEB 2017

TEAM LEAD, PAYPAL (USTGLOBAL) INDIA PTV LTD

- Worked on performing deployments and managed services for infrastructure on AWS Cloud
- AWS Infrastructure administration to build multiple services and learning AWS Cloud Platform
- Systems administration on Linux and windows based virtual machines on AWS
- Developed multiple containerized, serverless applications in AWS using Docker and Kubernetes and also implement spring micro services and rest api's

MAY 2014 - JAN 2016

TECHNICAL LEAD, RELEVANCE LAB INDIA PTV LTD

- Involved in developing Purchase and Common Management Modules using the Spring Framework.
- Involved in design review meetings to implement the Account Planning application using java, j2ee, struts, spring, server related and application related like NAS mounting batch jobs, services
- Involved in requirement gathering from the Management, planning and implementation
- Demos to multiple internal stakeholders and end users as part of marketing drive

DEC 2011 – FEB 2014

TECHNICAL LEAD, IGATE GLOBAL SOLUTIONS INDIA PTV LTD

- Involved in developing Purchase and Common Management Modules using the Struts Framework.
- Implementing Struts Framework
- Implementing validations using Struts Validation Framework
- Involved in development using j2se/j2ee

DEC 2009 - DEC 2011

SOFTWARE DEVELOPER, SCOPE INTERNATIONAL (CSS CORP) INDIA PTV LTD

- Support for SIT, UAT, DR and production implementation.
- Involved in enhancements of Alerts and Reports.
- Preparing Impact Analysis and Technical Specifications for Change Requests

JAN 2008 - MAY 2009

SOFTWARE DEVELOPER, POLARIS INDIA PTV LTD

- Involved in developing enhancements and client support.
- Involved in development using j2se/j2ee

AWS

EC2, ELB, ASG, LT, VPC, ENDPOINTS, PEERING, IAM, CLOUDFORMATION, S3, EBS, SNAPSHOT, LIFECYCLE MANAGER, EFS, CLOUDWATCH, CLOUDTRAIL, SNS, SQS, EBS, ROUTE53, AWS CONFIG, INSPECTOR, ECS, FARGATE, EKS, IGW, SNS, NACL, SG, CERTIFICATE MANAGER, KEY MANAGEMENT SERVICE, AWS COST EXPLORER, STEP FUNCTIONS, AMAZON MQ,

RDS - MYSQL, ORACLE, AURORA, DYNAMODB

TOOLS

JENKINS, TERRAFORM, MAVEN, CVS, SVN, GITHUB, DOCKER, KUBERNETES

PROGRAMMING/SCRIPTING

JAVA, SHELL, AWS CLI, JSON

OPERATING SYSTEMS

LINUX - AMAZON & RHEL LINUX, WINDOWS, UNIX - SUN SOLARIS, UBUNTU

SKILLS

- Client Engagement – Solutioning & Delivery
- Process Building, Sustaining & Change Management
- Team Building and Management
- Agile Project Management
- Container Management
- Cloud Infrastructure Solutioning
- High Available WebApp deployments
- Infrastructure Automation
- Systems Administration on Linux & Windows
- SQL and NoSQL Database Management

CERTIFICATIONS

- Amazon Web Services – Solution Architect Associate, December 2018
- SCJP Standard Edition 5.0, June 2009

EDUCATION

MAY 2004

BCA - BACHELOR OF COMPUTER APPLICATIONS, 1ST CLASS WITH DISTINCTION,
SRI VENKATESWARA UNIVERSITY
